Estate: The Hähn family has winemaking tradition as far back as 1648, the winery has been in Kobern since 1892. Oenologist Konrad Hähn now continues this tradition and has achieved 2 national awards for excellence, is recommended every year by Feinschmecker Magazine and was among the Top 100 estates in 2004. He grows mainly Riesling and a small percentage of Pinot Noir. The terroir is slate soil and all vines are planted on steep terraced slopes only.

Tasting note: A particularly exciting Eiswein. The rich intense fruit laced with honey and full of botrytis is cut precisely with the sharp yet fully integrated acidity. This wine has very long aging potential of 30 and more years, if you can keep your hands off it that long.

Food affinity: Great to enjoy on its own, but also possible to be shared with other people.
